

Contents

Review and Overview

1. **The role of maternal effects in sheep breeding: A review**
G.R. Gowane, Ashish Chopra, Ved Prakash and L.L.L. Prince ----- 1

Research Papers

2. **Growth, production and reproduction performance of Berari goats in their native tract**
Kranti Kharkar, S.V. Kuralkar and Prajakta Kuralkar ----- 12
3. **Genetic analysis of milk production traits in Jamunapari goats**
Pallavi Singh, M.K. Singh and S.K. Singh ----- 16
4. **Growth profile of Madras Red sheep in farmer's flocks**
P. Devendran, D. Cauveri, N. Murali and P. Kumarasamy ----- 20
5. **Effect of levels of concentrate on rumen fermentation and methane production *in vitro* and in weaner Barbari kids**
Mamata, T.K. Dutta and M.K. Tripathi ----- 24
6. **Preparation of complete feed pellet from monsoon herbages (*Dactyloctenium aegypticum*, *Cenchrus ciliaris* and *Tephrosia purpurea*) and its utilization in kids**
Prabhat Tripathi, T.K. Dutta, M.K. Tripathi, U.B. Chaudhary and Ravindra Kumar ----- 31
7. **Effect of feeding crop residue-based complete rations on nutrient utilization in Nellore rams**
K. Raja Kishore, J.V. Ramana, D. Srinivas Kumar, A. Ravi and E. Raghava Rao ----- 37
8. **Performance of goats on wheat and sorghum straw-based complete feed pellets**
R.N. Dhore, G.B. Deshmukh and A.P. Dhok ----- 41
9. **Morbidity profile in sheep flocks at an organised farm in semi-arid Rajasthan**
C.P. Swarnkar, D. Singh and O.P. Koli ----- 45
10. **Incidence of *Mycobacterium avium* subspecies *paratuberculosis* in Patanwadi sheep**
S. Shroff, B.S. Chandel, A.I. Dadawala, S. Gupta¹, K.K. Chaubey and S.V. Singh ----- 54
11. **Biochemical and molecular identification of *Mycoplasma agalactiae* isolates from healthy and sick goats of Gujarat**
Pranay Kumar, A. Roy, T.K. Aher and Joice P. Joseph ----- 59
12. **Effect of feeding complete pellet containing herbal anticoccidial feed mix on the performance of Barbari goats**
Ravindra Kumar, U.B. Chaudhary, A. Kumar, D.K. Sharma, P. Tripathi and M.K. Tripathi ----- 64
13. **Immune activation in HIV-positive patients fed with goat milk before and after initiation of anti-retroviral therapy**
R.B. Sharma, T.S. Raghuvanshi, Tahziba Hussain and S.V. Singh ----- 67
14. **Quality and economics of enrobed goat meat bites**
Gauri Jairath, Manish K. Chatli and Jhari Sahoo ----- 71
15. **Effect of incorporation of carrot powder on quality of mutton nuggets**
Humaira Gazalli, Altaf Hussain Malik, Asif H. Sofi, M.A. Pal, Mir Salahuddin, Heena Jalal and Ambreen Mir ----- 77
16. **Effect of pre-slaughter weight on carcass traits and organoleptic characteristics of Kanni goats**
P. Sivakumar, Robinson J.J. Abraham and V.V. Kulkarni ----- 83
17. **Improvement in quality and moth resistance of traditional namdha**
A.S.M. Raja, D.B. Shakyawar, Ajay Kumar, P. Temani and P.K. Pareek ----- 87

Short Communications

18.	Exploring Deccani sheep ecotypes of Maharashtra: Are these autonomous breeds? <i>Dinesh Kumar Yadav, Reena Arora and Anand Jain</i> -----	91
19.	Characterization of mutton type indigenous sheep of Puri district in Odisha <i>P. Panda, P.K. Rao, P. Kumar and B.N. Bhujabal</i> -----	95
20.	Effect of non-genetic factors on body weight in Tellicherry goats <i>N. Murali, V.B. Raghavendran, A.K. Thiruvankadan, C. Senthamil Pandian and M. Babu</i> -----	98
21.	Conception rate in Osmanabadi goats using frozen semen preserved in different cryoprotectants <i>N.R. Dagli, S.A. Bakshi, S.U. Gulawane, M.I. Baig, G. Vanage, B.T. Deshmukh and P.P. Ghorpade</i> -----	101
22.	Anti-stress activity of <i>Tinospora cordifolia</i> in goats maintained under different managemental conditions <i>B. Devasena and K. Adilaxmamma</i> -----	104
23.	Effect of zinc supplementation on serum enzymatic activities of Assam local kids <i>Jonali Devi, J. Goswami, B.C. Sarmah and Kamal Sarma</i> -----	108
24.	Haemato-biochemical analysis in crossbred (Jamunapari × Local) does reared under different feeding systems <i>Mukul Anand, J.P. Korde and A.K. Madan</i> -----	111
25.	Nutrient utilization in grazing ewes supplemented with complete feed blocks during scarcity in semi-arid region <i>O.H. Chaturvedi, R.S. Bhatt and A. Sahoo</i> -----	114
26.	Effect of different selenium sources on growth and meat quality in goats <i>Kamdev Sethy, R.S. Dass and A.K. Garg</i> -----	118
27.	Seroepidemiology of sheep pox in Tamil Nadu <i>G. Selvaraju and G.A. Balasubramaniam</i> -----	123
28.	Prevalence of Foot and Mouth Disease virus antibodies in an organized sheep farm of Rajasthan <i>M. Rout, M.R. Senapati, J.K. Mohapatra, M. Ayub, H.K. Narula, R.K. Sawal and A. Sanyal</i> -----	126
29.	Seroprevalence of brucellosis in sheep and goats of Gujarat <i>M.B. Sutariya, Ashish Roy, Pranay Kumar and P.K. Patel</i> -----	128
30.	Prevalence of udder and teat affections in non-descript goats in Rajasthan <i>Deepak Kumar Kashyap, Devesh Kumar Giri and Govina Dewangan</i> -----	131
31.	Hypospadias, urethral diverticulum and agenesis of the penile shaft in a male kid <i>Deepak Kumar Kashyap, Devesh Kumar Giri and Govina Dewangan</i> -----	134
32.	<i>Ectopia cordis</i> in a Mehsana kid - A case report <i>T.V. Sutaria, Prajwalita Sutaria and H.H. Panchasara</i> -----	136
33.	Dystocia due to mummified foetus in a local goat of Assam <i>K. Ahmed, R.K. Dewry, D.J. Talukdar and N. Mahanta</i> -----	138
34.	Effect of enrobing on physico-chemical and sensory qualities of mutton nuggets <i>Y.P. Gadekar and A.K. Shinde</i> -----	140
35.	Scientific breeding practices followed by goat farmers in ravines areas of Uttar Pradesh <i>Rashmi, Rupasi Tiwari, Rakesh Roy and Vijay Kumar</i> -----	143
