## Contents

### Review and Overview

1. Status and prospects of reproductive biotechnologies of small ruminants in India: an overview  
   A.K. Goeland, S.D. Kharche  
   139

### Research Papers

2. Genetic diversity in milk production of Jakhrana goats based on RAPD markers  
   Aarti Sharma and Saket Bhusan  
   157

3. Comparison of effectiveness of animal model versus sire model for different growth traits in Marwari sheep  
   H. Singh, U. Pannu, H.K. Narula, A. Chopra and Vivekanand  
   161

4. Monomorphism of growth hormone receptor gene in south Indian breeds of sheep  
   A.R. Sahu, V. Jeichitra, R. Rajendran, A. Raja, S.N. Sivaselvam and S.M.K. Karthickeyan  
   167

5. Polymorphism in exon 17 of diacylglycerol acyltransferase-1 (dgat-1) gene in Indian sheep breeds  
   Rajiv Kumar, Shringarika Gupta, A.S. Meena, S.M.K. Naqvi and S. Kumar  
   170

6. Genetic variants of β-lactoglobulin gene in Garole, Malpura, Patanwadi and their crossbred sheep  
   Basanti Jyotsana, Rajiv Kumar, Rajni Kumari, A.S. Meena, L.L.L. Prince, Ved Prakash and Satish Kumar  
   174

7. Effect of different selenium sources on antioxidant enzymes and bioavailability in goats  
   Kamdev Sethy, A.K. Garg, B. Perme, K. Behera and R. Biswal  
   178

8. Effect of feeding tamarind (Tamarindus indica) seed meal on nutrient intake, its utilization and growth in crossbred kids  
   Lalit Vijay, A.K. Sinha, S.K. Sinha and Swati Shivani  
   182

9. Effect of azolla supplementation on semen quality, haematology and rumen metabolites in Barbari bucks  
   Ravindra Kumar, Chetna Gangwar, P. Tripathi and U.B. Chaudhary  
   186

10. Effect of management systems on seminal characteristics of Jakhrana bucks  
    Narendra Kumar, B. Rai, C. Gangwar, G.K. Gaur, S.A. Lone and S.K. Jindal  
    190

11. Effect of feeding different levels of sugarcane press mud on blood biochemical and mineral profile of Muzaffarnagri lambs  
    Ranjan Kumar, S.K. Saha and A.K. Garg  
    193

12. Seroprevalence studies on brucellosis in goats of Jammu region  
    198

13. Detection of resistance to albendazole in Haemonchus contortus at sheep farms of Karnataka state by allele specific polymerase chain reaction  
    S.C. Kumar, C. Renukraprasad, Placid E. D’Souza, M. Shivaraj and B.S. Pradeep  
    202

14. Quality attributes of chevon meat patties substituted with rabbit meat  
    P. Singh and Arvind Kumar  
    206

15. Efficacy of tertiary butyl hydroquinone in enhancing shelf life of chevon pickle  
    N. Gogna, Arvind Kumar, M. Kaur and Sunil Kumar  
    213

16. Adoption of scientific practices of small ruminants at a village in Rajasthan: a PRA study  
    G.L. Bagdi, Raj Kumar, L.R. Gurjar, Rajiv Gulyani and S.M.K. Naqvi  
    218

### Short Communications

17. Genetic parameters of body weights in Marwari sheep  
    K. Kannojia, S.B.S. Yadav, H.K. Narula, U. Pannu and H. Singh  
    222

18. Comparative growth performance of Vembur sheep in its breeding tract  
    R. Selvakumar, T. Sivakumar, S. Meenakshi Sundaram, Thanga Thamil Vanan and K. Thilak Pon Jawahar  
    225

19. Aromatase gene polymorphism in sheep breeds of India  
    A.S. Meena, Rajiv Kumar, Rajni Kumari, Basanti Jyotsana, L.L.L. Prince and Satish Kumar  
    227

20. Polymorphism study of BMPR-1B and BMP-15 genes in Berari goats  
    Lakshmi Sharma, S.V. Kuralkar, S. Sajid Ali, P.S. Bankar and Prajakta Kuralkar  
    230
21. Reproductive performance of Harnali sheep

22. Libido and physico-morphological characteristics of semen in Pantja bucks

23. Pulse oximetry during laparoscopy-assisted embryo transfer under lumbosacral epidural anaesthesia in goats
A. Khajuria, M.R. Fazili, R.A. Shah and H.M. Khan .................................................................................. 240

24. Serum copper, iron and zinc concentrations during gestation and early lactation in Sangamneri goats

25. Concentrate feed supplementation during late gestation and lactation in Madras Red sheep
P. Suresh Kumar and P. Vasanthakumar .................................................................................................... 246

26. Growth and haemato-biochemical response in lambs in relation to supplementary feeding of ewes in late pregnancy
Chiranjib Sahoo, Chitta Ranjan Pradhan, Subhasish Sahu, Anuradha Kumari and Archana Sarangi ............ 249

27. Seroprevalence of Peste des petits ruminants in goats of south Gujarat
R.B. Thakor, M.D. Patel, R.M. Patel and I.H. Kalyani .............................................................................. 252

28. Changes in humoral immunity due to different doses of levamisole in PPR vaccinated goats
Mousam Das, Devi Prasad Isore and Anup Singha .................................................................................. 255

29. Study on outbreaks of Bluetongue in sheep farm and field
G. Gangaraju, I. Satish Kumar, C. Vijaya Kumar and P. Jagannath Reddy ................................................ 257

30. Prevalence and distribution of Salmonella faecal carriage in small ruminants
Mohmad Mashooq, Ankush Kiran Niranjan, Rajesh Rathore, Deepak Kumar, Ankita Jain and Losa Rose - 261

31. Effect of floor space allowances on growth, coccidiosis and economics of Beetal kids under stall feeding
Ankaj Thakur, Dalpat Singh Malik, Sandeep Kaswan and Amrit Lal Saini .................................................. 264

32. Incidence of sarcoptic mange and its control with ivermectin in sheep
C. Soundararajan, K. Nagarajan, A. Ananda Rajaand M. Arul Prakash ..................................................... 267

33. Effect of rearing systems on mineral contents of milk during lactation in Jamunapari goats
Gitam Singh and R.B. Sharma .................................................................................................................. 270

34. Feeding management of Jamunapari goats in the ravine region of Uttar Pradesh
Rashmi, Rupasi Tiwari, Dharmendra Katheria and Amit Singh ................................................................. 272
