

THE INDIAN JOURNAL OF SMALL RUMINANTS

Vol. 17(2)

October, 2011

Contents

1	Nutrition and feeding of lambs for mutton production under tropical climates: A review <i>M.K. Tripathi, Prabhat Tripathi and S.A. Karim</i>	135
2	Occurrence of neoplastic diseases in small ruminants in India: An overview <i>R.V.S. Pawaiya and Pawan Kumar</i>	151
3	Robust regression for determining selection criterion of breeding rams <i>Dinesh Kumar Yadav, Reena Arora, S. Bhatia, Gurmej Singh and L.M. Bhar</i>	166
4	Biometry of female genitalia and <i>in vitro</i> tubal patency tests in local sheep of Kashmir valley <i>F.A. Bhat, H.K. Bhattacharyya and M.Z. Khan</i>	170
5	Effect of post-mortem time on the quality of ram cauda epididymal spermatozoa <i>F.A. Lone, R. Islam, M.Z. Khan, K.A. Sofi and I. Khan</i>	174
6	Influence of heat stress on antioxidant status in Beetal goats <i>Manish Kumar, R. Jindal and S. Nayyar</i>	178
7	Induction of mastitis in Nubian goats by soil isolates of <i>Nocardia farcinica</i> <i>Rawda B. Ali, Awatif A. Sid Ahmed, Khalid Sulieman, Adil Mahgoub and Mohamed E. Hamid</i>	182
8	Effect of Garole inheritance on strongyle infection in sheep managed under semi-arid conditions of Rajasthan <i>D. Singh, C.P. Swarnkar, S. Kumar and C. Paswan</i>	188
9	Nitric oxide and hydrogen peroxide production by goat mucosal epithelial tissue <i>P.K. Pattanaik, G. Sahoo, N. Barik, T.K. Palai and P.C. Bisoi</i>	195
10	Organochlorine pesticide residues of goat tissues <i>M. Muthukumar, K. Sudhakar Reddy, K. Kondal Reddy, A. Gopala Reddy, D. Jagdishwar Reddy, C. Narendra Reddy and N. Kondaiah</i>	199
11	Production and performance of pure cashmere shawl fabric using machine spun yarn by nylon dissolution process <i>A.S.M. Raja, D.B. Shakyawar, P.K. Pareek and Sarfaraz A. Wani</i>	203
12	Development of Magra wool - nylon blended hand knotted carpets <i>D.B. Shakyawar, A.S.M. Raja, N.P. Gupta and L. Ammayappan</i>	207
13	Effect of row ratios and integrated nitrogen management on the productivity and economics of <i>Cenchrus ciliaris</i> and moth bean (<i>Phaseolus aconitifolius</i>) intercropping system in semi-arid conditions of Rajasthan <i>L.R. Meena and J.S. Mann</i>	210
14	Economics of sheep and goat rearing in semi-arid region of Rajasthan <i>D.C. Gupta, A. Suresh and D. Sethi</i>	215
15	Growth performance of pre- and post-weaning Sonadi lambs and adults in the native tract <i>S.P. Tailor and C.M. Yadav</i>	221
Short communications		
16	Factors affecting reproductive traits in Black Bengal and Beetal x Black Bengal crosses <i>Amit Kumar, L.B. Singh, Dharendra Kumar and Maroof Ahmad</i>	225
17	Factors affecting birth weight and dam weight of polled Dorset and crossbred sheep at an organized farm <i>H.M. Khan, N.A. Ganai, M. Bhakat, M.S. Mir and B.A. Sheikh</i>	227

18	Utilization of hot desert shrub: Lana (<i>Haloxylon salicornicum</i>) seeds as feed resource in arid zone <i>B.K. Mathur, J.P. Singh, V.S. Rathore, N.P. Singh and R.K. Beniwal</i>	231
19	Nutrient availability for small ruminants in community pasture of hot arid zone <i>R.K. Sawal, K.C. Sharma, H.K. Narula and M. Ayub</i>	235
20	Influence of age and season on thyroid activity and blood biochemical profile in Magra rams under arid tropical environment <i>Anil Gattani and Meenaxi Sareen</i>	237
21	Existing grazing and supplementary feeding practices of goats in semi-arid Rajasthan <i>P.S. Tanwar and Khem Chand</i>	240
22	Effects on serum mineral concentration in Sahabadi sheep experimentally infected with <i>Haemonchus contortus</i> <i>Gautam Bordoloi, Ruma Jas and J.D. Ghosh</i>	243
23	Surgical management of ventral hernia in goats <i>P. Veena, P. Sankar, R.V. Suresh Kumar, N. Dhana Lakshmi and S. Kokila</i>	247
24	Pregnancy toxemia and hypocalcaemia in a Jamnapari doe <i>S. Manokaran, K. Ravikumar, M. Palanisamy, R. Raguvaran, N. Mohanasundaram, R. Ezakial Napoleon and M. Selvaraju</i>	250
25	Ethnoveterinary practices in sheep of north coastal zone of Andhra Pradesh <i>K. Ananda Rao, K. Sarjan Rao, S. Jageeswara Rao, A. Ravi and A. Anitha</i>	252
26	Simultaneous presentation of twins with postural defects causing dystocia in a non-descript doe <i>G.K. Das, M. Murugan, M. Saravanan and J.K. Prasad</i>	254
27	An analysis of growth of small ruminant population in Tamil Nadu <i>S. Selvam</i>	256
28	Studies on migration of sheep flocks in north coastal zone of Andhra Pradesh: Identification of traditional migratory tracts <i>K. Ananda Rao, K. Sarjan Rao, S. Jageeswara Rao, A. Ravi and A. Anitha</i>	260
