## ***Sustainable Small Ruminants Production for Enhancing Income under Changing Scenarios***

### **ICAR-CSWRI**

The CSWRI is a premier institute of ICAR engaged in research, training and extension activities on sheep and rabbits. It was established in 1962 at Malpura in Rajasthan. Now campus is popular by the name of Avikanagar. It has three Regional Research Centres in different climatic zones of the country to develop region specific technologies, located at Garsa (HP), Mannavanur (TN) and Bikaner (Raj).
