# THE INDIAN JOURNAL OF SMALL RUMINANTS

## Vol. 24(1) April, 2018

## Contents

### Review and Overview
1. Far-tailed sheep - an important sheep genetic resource for meat production in tropical countries: an overview
   Arpita Mohapatra and A.K. Shinde

### Research Papers
2. Heritability estimates for average daily gain and kleiber ratio in Deccani sheep
   Y.C. Bangar, V.S. Lawar, C.A. Nimbalkar, O.V. Shinde and R.G. Nimase

3. Factors affecting growth traits of Jakhrana goats in semi-arid region of India
   Ajoy Mandal, R. Behera, Saket Bhushan and P.K. Rout

4. Genetic polymorphism of KRT 1.2, KAP 1.3 and THH gene in Magra sheep
   A.S. Meena, Rajiv Kumar, B. Jyotsana, H.K. Narula and S. Kumar

5. Estimation of genetic parameters for production traits in Munjal sheep
   Umeel, Z.S. Malik, D.S. Dalal, S.P. Dahiya and C.S. Patil

6. Phenotypic documentation and characterization of Purgi sheep
   Firdous Ahmad Baba, Hilal Musadiq Khan, Ahmad Ishaq Nazir Ahmad Bamla and Niyazul Munshi

7. Effect of spirulina (Arthrospira platensis) supplementation on growth, haematology and serum metabolites in Barbari kids
   Janardan Yadav, Ravindra Kumar and N. Sharma

8. Growth and nutrient utilization in stall-fed kids on Cumbu Napier hybrid CO-4 silage and different levels of concentrate feed
   Prabhakar Rao Tanneeru, Venkateswarlu Malisetti and Sarat Chandra Amaravadi

9. Effect of different levels of lucerne (Medigo sativa) in diet on rumen fermentation and energy metabolism of ewes
   Arvind Kumar, V.B. Chaturvedi, A.K. Singh, Anamika, Shilpi Kerketta

10. Nutritional evaluation of spent maize (Zea mays) cobs as roughage source in sheep feeding

11. Effect of different creep rations on the growth of Malabari pre-weaner kids
    John Abraham and V.T. Bhale

12. Growth and blood profile of broiler rabbits on probiotic supplementation
    R.P. Kalma, H.D. Chauhan, A.K. Srivastava and M.M. Pawar

13. Organic nutrient management in intercropping systems for increasing fodder yield and soil fertility in semi-arid Rajasthan
    L.R. Meena, S.A. Kochewad, Roop Chand and S.C. Sharma

14. Effect of hydroxytyrosol on sperm post-thaw motion and velocity of cryopreserved ram semen

15. Testosterone and progesterone levels during different reproductive stages in Jakhrana goats

16. Comparative evaluation of conventional serological tests and in-house recombinant OMP31 (rOmp31)-based ELISA for the detection of caprine brucellosis
    Ajay Singh, Vivek Kumar Gupta, Amit Kumar, Vikas Kumar Singh and Shivasaaranappa N

17. Monovalent inactivated bluetongue virus type 1 vaccine induced neutralising antibody response in sheep
    A.B. Pandey, S. Nandi, S.D. Audarya, I. Suresh, N. Singh and R.S. Chauhan

18. Investigation of an outbreak of caseous lymphadenitis in goats
